

INSTRUCTIONS

Print one page per child. back the large pieces onto sturdy card. cut round the edges of each piece and the flaps on the bottom of the chariot.

The large rectangle at the base of the chariot is a stand, don't fold this, fold the remaining tabs and give the base into place.

fold the horse in half and lightly give the ends of the head together. add the reins by giving to the side of the head.

give the chariot wheels onto the side of the chariot and attach the reins onto the outer rim.
